Remarks

Here's your chance to own a 3 bedroom, 1 and a half bathroom home in the heart of Pontiac. This home was completely renovated in 2019, including plumbing, electrical, furnace, air conditioner, and more. All appliances stay, and the basement is perfect for storage, as is the shed out back. Recessed lighting in the living and dining rooms and the basement partially finished. Down Payment Assistance is available in various forms for those who qualify. If you have a score in the upper 500s, I'd say give it a shot. Don't wait. It won't last long. IDRBNG BATVAI
